**MEMORANDUM
AND ORDER**

The parties in this case are engaged in a discovery dispute concerning the production of documents and other materials containing confidential and proprietary information. These documents and other materials contain information about Defendant's company policies and procedures, Defendant's proprietary business and financial information, Plaintiff's financial information, and Plaintiff's medical care and treatment. Currently pending are Plaintiff's Motion for Protective Order (Filing No. [56](#)), Motion to Compel Discovery (Filing No. [69](#)), and Motion for Sanctions (Filing No. [75](#)). Also pending is Defendant's Motion for Protective Order. (Filing No. [63](#).) The parties aver that they have conferred about the issues raised in their discovery motions, and have been unable to reach an agreement.

The court has carefully reviewed the relevant pleadings and finds that the court would significantly benefit from the assistance of the magistrate judge in resolving the parties' discovery dispute.

IT IS THEREFORE ORDERED that: The above-mentioned motions are referred to Magistrate Judge Zwart for decision. (Filing Nos. [56](#), [63](#), [69](#), and [75](#).) See [General Order 2010-02](#) ("Except for motions filed under [28 U.S.C. § 2255](#) and except for death penalty cases, all pro se cases shall be assigned to Magistrate Judge Zwart as the assigned magistrate judge.").

DATED this 5th day of February, 2013.

BY THE COURT:

s/ Joseph F. Bataillon
United States District Judge
